The B'nai Mitzvah year is really a journey of growth and discovery for your child and your entire family. Our synagogue leadership, staff, other clergy and I look forward to sharing with you the joy and pride of watching and participating in the journey of growth and helping to make it meaningful. The material included within this binder provides ideas, guidelines and synagogue policies designed to help make your special day flow smoothly and make your experience more meaningful. On a personal note, I am looking forward to getting to know you, your child, and your entire family even better in the coming year. Please do not hesitate to contact me if I can be of any assistance at any point.
