

BETH SHALOM CONGREGATION

5778 (2017-18) KITCHEN RESPONSIBILITIES

During 6th grade year (2016-17) each family is required to help the Sisterhood in the kitchen two times.

We ask families to assist in the kitchen so that each family will have an understanding of the work our volunteers put into each and every Bar/Bat Mitzvah celebration.

Final decisions about the Kiddush are made about a month in advance of the date. Please check in with the Kiddush Coordinator (Linda Eisenberg – see directory) a month in advance to know your needed arrival time.

In general you should plan on arriving at about 9:30 and remaining until 1:30 to make sure you have the ability to assist for a full Kiddush. The final determination of timing will be made by that morning's Kiddush Coordinator. It does not matter which parent attends. **If a kitchen family is unable to assist in the kitchen on their assigned date it is their responsibility to find a replacement.** Please inform the Kiddush Coordinator of any changes to the schedule.

Please note: Even if you have a date assigned without a Bar/Bat Mitzvah or other pre-planned special event, events such as Baby Namings, auf-rauf (pre-wedding blessing) or other special occasions may occur on your date.

Of course you are welcome to volunteer additional times as well. Extra hands are always welcome.
