Shabbat Shalom!

The first paragraph usually welcomes guests and explains the importance of a B'nai Mitzvah.

The second paragraph often talks about who the B'nai Mitzvah child is, his/her characteristics and interests, as well as a B'nai Mitzvah Project he/she has worked on.

The third paragraph thanks guests for attending and thanks those people from the synagogue who helped with the B'nai Mitzvah. A special thank you to Rabbi Grossman and Cantor Walters for their spiritual guidance. We are so grateful to Tutor for the endless hours of tutoring, encouragement and assistance you have given us. We would also like to extend our thanks to the synagogue staff, Religious Committee, Religious School and the sisterhood for helping us make this a special day.
